early course  
on Wednesday

If you can not complete the course for private  
or professional reasons in one go,  
spread the course in just two short blocks.  
Contact us on location!

Example

## Good to know for your first aid course

For the eye test, it is advantageous,  
to be relaxed and well rested!

It is recommended to wear comfortable clothes!  
The short skirt or tight pants is  
not useful for exercises!

Talk to friends who might also need a course  
and just come together!

Don't forget your ID or passport and,  
if appropriate, your glasses or lenses.

Bring a little snack and  
something to drink with you!

We speak English!

The course is conducted in German only, but we have english study  
material available and will be glad to assist you in english.

We offer courses conducted  
completely in English.  
Please ask for dates!

Questions?

Phone 0211-16355164

We have enough seats available, no registration necessary!
